

TRIBUTE TO GARY CRAIG

So many wonderful memories and stories :-) Meeting Gary for the first time in May of 2000 after inhaling all the EFT videos with hundreds of pages of notes, talking with him about using EFT with children, being asked to participate in the Specialty Series, becoming a 'Gary Groupie' attending all but 2 of his EFT workshops from 2000 - 2007, being at his house with 13 others creating the EFT training guidelines (from which the www.EFT4PowerPoint.com program was modified). And, working even closer with Gary as the former director of the EFT Master Certification program for two years. Gary was always there with his support, wisdom, his humor and his faith in me. This makes me particularly sad to see the end of a very important era in our history.

My gratitude and love for Gary runs deep and I will greatly miss Gary's skills in guiding and facilitating this movement which now reaches truly all over the world. He has left the world a gift that has literally changed millions of lives.

The gift of EFT has been given it now belongs to the world and I believe EFT will continue to spread even more around the world. That can be our gift back to Gary!

With much love,
